

MINUTES OF THE CHESWICK GREEN RESIDENTS ASSOCIATION

Wednesday 5th March 2014

Present .

CGRA. George, Brian, Phil, Paul, Jane, Greg, David

Apologises Gary, Jason, Pete, Helen

1) Minutes from previous meeting.

Nothing to add / contest: ready to publish on the website

2) Village Hall

Agreed to pay 50% of the bill for works (manhole cover, brickwork around gutters and removal of concrete bollard) that have been commissioned by the Parish Council. Cost to Village Hall Management expected to be in the region of £600

New light tubes required, **GB** to action

Youth Club reports, Via Ruth Stanton, that there is evidence of mice in their cupboard and that the snooker table has been damaged sometime of the Christmas period

Mice: **GB** to purchase and place bait boxes

Snooker table: inspection did not reveal any damage that was not in-keeping with what is a 10 year old essentially domestic snooker table, however as a gesture of good will we will endeavour to strengthen the already much repaired legs to the table

3) Play Area, Shops and Car Park

Flower beds: bark chippings to be replenished and wire or similar required to deter dogs from digging up the chippings.

Area outside shops: Gets scruffier by the day ... now that the rain is subsiding we can give it a tidy; comparatively small job so does not warrant appeal for help

Who: **GB & any volunteers**

When: Sunday 9th, 2:00pm

4) Planning.

4.1) Shirley Golf Club.

Still waiting to hear if and when the application will go to the planning committee.

4.2) Mount Dairy Farm

Greg to Liaise with CGPC regarding review of flood prevention measures, with a view to setting up of a working party, in readiness for any future action on the development

4.3) Other.

Nothing contentious

5) Magazine and Website

All good, nothing to report

6) Local Policing

Nothing to report

7) Social Events

60% of Subs returned have been from pensioners; given this statistic could / should we invest more of our efforts to ensure that their needs, in the areas of social cohesion, are better met? U3A is perhaps better equipped to cater for this, but we must still recognise the need and ensure that we maintain a working relationship with them

8) Any Other Business

Subs still trickling in: we have reached £700 mark

Bank account: Still waiting for TSB to open new account

Action: **PR & JT**

Meeting Closed at 9.30pm

Next meeting

Date: 2nd April
Time: 8:00pm
Venue: Village Hall
